

LDRDO Tech Rider

This is our minimum requirements for our duo live format.

Soundcheck

Soundcheck should be no less than 90 minutes including setup time.

PA System:

The PA system should be a good working stereo 3 way system that is suitable for the venue's audience size.

DI boxes:

We need 6 stereo DI boxes and 2 mono DI boxes. All DI boxes should be active, Clark\Radial or equivalent.

For more information, look at the stage plot below.

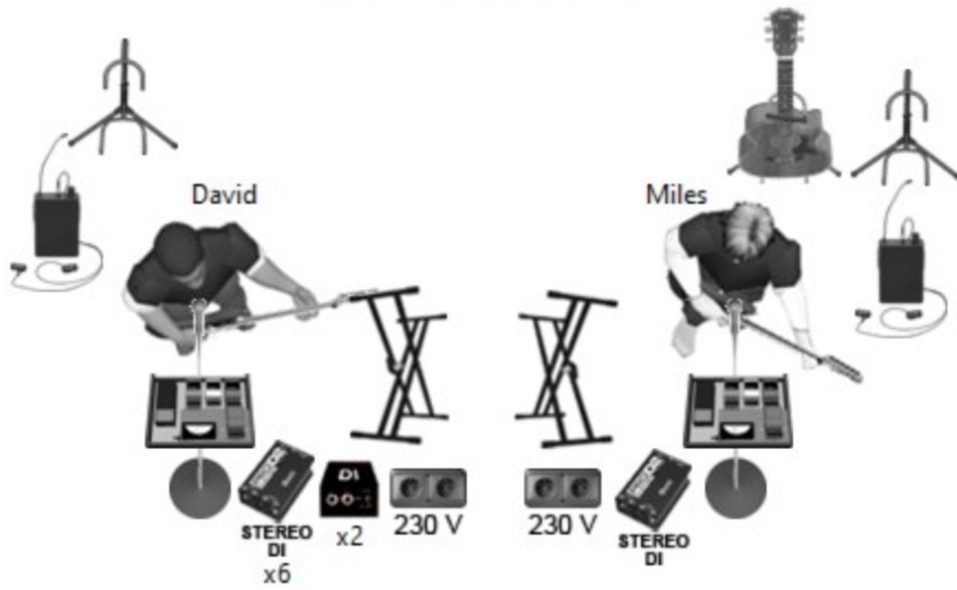

Any questions, please email info@ldrdo.com

Merch:

1X Merchandise seller

1x Booth to be located on a high traffic, well lit, secure area.
